## PERFORMANCE TEAMS

Does your child love being on stage? Performance Teams provide the opportunity for students to showcase their love of dance/ performing numerous times throughout the year at local dance eisteddfods.

Performance Teams are about working together as a team and gives our students the opportunity to enjoy the stage with their friends. At Danceworks 114 we pride ourselves on creating a fun, nurturing and positive environment for every student, where the sky is the limit. Costuming and entires fees are covered by the studio for all students enrolled in Performance Teams. We understand that students may not be able to commit to all of the scheduled dance events throughout 2021, and therefore make allowances where possible. Dates will be released throughout 2021 and passed onto parents and students as soon as possible.

## NEW CLASSES ADDED IN 2021

Introducing Contemporary for students grade 3 & up!

Contemporary dance is an expressive style of dance that abandons the rigid, centred aspect of classical forms of dance and utilises unconventional movements from styles around the world.

Contemporary dance continues to grow in popularity due in part to its accessibility to dancers. The freedom of movement that contemporary allows affords dancers with less training or technique to enjoy dance without the need of perfection.

Open Ballet Class

This class is designed for any student, of high school age & up, experienced or beginner dancers who wants to just have a go at Classical Ballet. Focusing on Strength & Technique this class will cover all the fundamental skills that Ballet provides without the dance exam environment.

## SMALL CHANGES & EXCITING NEWS!

You may notice that Musical Theatre has been removed from our timetable in Term 1, this is because our beautiful Miss Sammi is expanding the Danceworks family and bringing a baby into the world in the new year! *(insert exciting squealing and jumping up and down here!!!)*

So although we will miss her dearly now, we will look at adding the classes back in when she is ready to return.

If you have any questions regarding the wide range of classes on offer, please contact our friendly administrative staff who are happy to answer all of your questions.

We would like to thank you all for the ongoing support you have given us this difficult year. Enjoy this festive season with your families and we look forward to seeing you all again in 2021.
