## PERFORMANCE TEAMS

Performance Teams is an additional 30min/45min class each week, on top of Dancers regular technique classes.

Students have to be enrolled in either Jazz (Funk) or Ballet class to participate.

*Why?* Classical Ballet & Jazz share a set of certain technique skills that are used across all styles of dance. These fundamental skills are only learnt in regular classes and not taught, just refined, in Performance Teams.

We need these dancers to be learning these important skills to bring with them into the Performance Routines.

### *What are the expectations?*

Dancers attend eisteddfods multiple times throughout the year, some falling on school

holidays. We ask that dancers are available for all competitions, however with notice we can make do if they need to miss one throughout the season.

Danceworks 114 source & supply the costumes for a one-off \$50.00 costume hire fee at the start of the season. Performance team dancers/families are required to purchase the correct shoes, tights & make up for the events.

### *So why join?*

We pride ourselves in the 'making friendships' department. Our community brings a bond between dancers outside of their regular school friends, that last a lifetime. It also teaches dancers the value of hard work and a sense of achievement when the finished results comes to life.

## ALL THINGS NEW & DIFFERENT IN 2022...

In 2022 we are shaking it up a little with a complete re-structure of our timetable and class age brackets.

- **Mini Groovers:** age 2.5 to age 3.5
- **Mini Trio:** age 3.5 to age 5
- **Juniors:** Prep, Grade 1 & Grade 2
- **Intermediate:** Grade 3, Grade 4 & Grade 5
- **Upper:** Year 6, Year 7 & Year 8
- **Seniors:** Year 9 and older

*Please see our website for full class descriptions! [danceworks114@hotmail.com](mailto:danceworks114@hotmail.com)*

**Junior Skills** is new to our timetable next year and replaces the good old Prep/1 Trio. This class will be used to bring jazz & classical to your dancers in a fun and engaging way. With the use of popular music and traditional dance moves your dancers will learn all the core skills to be the best possible version of the dancer in them!

**Junior Tap** will be offered in its own 30min session in 2022 for those keen little tappers to focus on this art!

**Prep/1 Trio** does still make an appearance on the timetable for those who prefer, but the new structure allows for more freedom and choice throughout the week.

**Stretch & Flex** is another new addition to our timetable next year. This 30 min relaxation "quiet session" that focuses of flexibility and overall body movement. This class is available for primary & senior school aged dancers looking to get a little more out of their week.

**Parents & Bubs**, 30 mins of structured learning and movement and 30 mins of free play supervised by Miss Tia. Parents can then take some time to socialise and chat with tea & coffee supplied.

### **Heels 16 yrs and over: NEW IN 2022**

Heels is a dance class designed to bring out fearlessness. Focusing on hair, hips and heel movements, these classes empower dancers & build on stamina. Classes are designed for everyone to feel safe and comfortable in a liberating environment.

Doesn't matter if you're beginner or an experience dancer, this one will be fun for all
