Danceworks 174

2023 SHOWCASE | 10 DECEMBER 2023 | GPAC

IMPORTANT INFORMATION

All choreography will be taught to the dancers during the first four weeks of term.

October 2nd - October 28th

Any lessons missed within the first 4 weeks may result in the dancer not being onstage for that particular part of the routine.

If you are planning on being on holidays, please let us know in advance for us to make arrangements.

Week 5 - Costume week!

October 30th - November 4th

This will be the only opportunity dancers have to try on costumes prior to the concert. If dancer misses this lesson we will put a size aside for them, however they will not be trying on their costume before concert day.

Unfortunately this is not negotiable.

We have thousands of costumes to sort & pack for concert day which takes a lot of time & organisation

Extremely important info!

Dancers are to be dropped at the rear entrance of GPAC (Grey St door) 30 mins prior to commencement of their show.

Prior to the concert, all families will be given a map of the venue, including drop off & pick up zones.

Dancers MUST be collected at the end of the show, this includes dancers performing in multiple shows. We will not be holding them between concerts.

Mini Trio B, Prep, Junior & Intermediates:

Dancers will be issued a lanyard that will work as a backstage pass, if dancers do not come with their lanyard they will not be able to come backstage, therefore will not participate in the concert.

Lanyards will state the dancers class/es, teachers & dressing room allocation to make things easier for us when they are dropped off.

There will also be a section for you to write who will be collecting your dancer at conclusion of the concert.

Dancer will ONLY be released to this person

Upper & Senior dancers will be allowed to leave (through the drop off zone) at the conclusion of their concert without staff supervision. If you do not wish for your dancer to have this freedom please let us know and they will be issued a lanyard.
