Costume Try on week!

Mon 30th Oct to Sat 4th Nov

EVERYTHING YOU NEED TO KNOW!

Dressing appropriately is key to a successful costume fitting.

All dancers must come in tight fitting clothes such as leggings, leotards, crops, singlets or shorties to their classes this week

Dancers will not be permitted to leave the studios to try on costumes and will be putting on their costumes over the top of the clothes they come to class in.

See next page for example of appropriate costume week outfits!

What not to wear...

Dancers will try on their costumes, over the top of their outfits regardless of what they are wearing during costume week. We strongly advise against any oversized / baggy clothes as this will result in their costumes being too large come concert day.

Please, no tutus/skirts that are attached to leotards.

Although we appreciate the offer, please let teachers do their thing during costume week and don't enter the studios unless they have requested your assistance. Teachers have a routine and thought process to follow to ensure the right costume gets to the right dancer and will ask for help only if needed.
