2023 SHOWCASE | 10 DECEMBER 2023 | GPAC

IMPORTANT INFORMATION

All choreography will be taught to the dancers during the first four weeks of term.

October 2nd - October 28th

Any lessons missed within the first 4 weeks may result in the dancer not being onstage for that particular part of the routine.

If you are planning on being on holidays, please let us know in advance for us to make arrangements.

Week 5 - Costume week!

October 30th - November 4th

This will be the only opportunity dancers have to try on costumes prior to the concert. If dancer misses this lesson we will put a size aside for them, however they will not be trying on their costume before concert day.

Unfortunately this is not negotiable.

We have thousands of costumes to sort & pack for concert day which takes a lot of time & organisation

HAIR STYLES

Low ponytails
part hair in the centre
Pull hair back into pony tail & secure with the correct coloured hair tie (matching the dancers hair colour)
be sure the ponytails are coming from the back of the head, sitting on the occipital bone. (not coming out the side of the head)

- Hair colour hair ties
- Brush
- Tail Comb
- Cheap Hair gel
- Spray bottle (water)

Boys hair styles

Please just make sure the boys have their hair neat, with a bit of product to stop it falling in their faces.

If they have longer hair, they will need to tie it back in a low ponytail, neatly out of their faces

MAKE UP

Stage lights do a great job of washing the dancers out/making them look really pale. We understand if you are uncomfortable with putting makeup on your dancers, but would recommend that you use a little powder, bronzer or blush just to brighten their faces.
