WHAT HAPPENS NEXT?

Enrolments are processed on our end in order of submission. Once accepted you will be emailed a Term 1 invoice & prompted to pay the deposit.

If your enrolment is not processed due to missing information or class choices at capacity, we will contact you.

Please note: enrolments are not finalised until deposits are paid. If your minimum deposit is not paid within a week of submitting your enrolment your dancer will be removed from the class list.

SO HOW MUCH DOES IT COST?

Fees are determined by duration of hours a student is enrolled per week (excluding private lessons).

This is to encourage students to experience other dance styles. A deduction is automatically calculated for 'no dance days' as deemed by us, such as public holidays. As overheads remain the same regardless of attendance, fees are non refundable/nor can we credit for classes missed, or if your child does not complete the whole term.

Private lessons are charged at \$55 per hour for a Senior Teacher and \$35 per hour for a Junior Teacher

PRIVATE LESSONS - THE WHO, WHY & HOW

In 2024 we are looking to recruit new soloist dancers to Team 114! These dancers would learn routines in their private lessons to perform at competitions (eisteddfods) throughout the year. ANYONE can participate.

At danceworks 114, we don't hand select dancers to be on our Team and feel it's important for all dancers to explore this opportunity if they want to! See Team Agreement for more information or organise a time to speak with Miss Tia
