Mini Groovers are asked to come dressed comfortably wearing non restrictive clothing. Dancers can wear any clothes they wish, whether it be a fairy dress, superman costume, leggings & a tee, or even a leotard and a skirt.

SHOES: Canvas Ballet flat (no ribbons) either Black or Ballet pink. (*see photo above*)

For **TAP** they require Black Tap Shoes

Mini Monkeys should wear tight fitting clothes to safely execute skills & tricks. Shorts, leggings, a crop top or even a T-shirt that can be tucked in works well.

Shoes: no shoes for this one, barefoot only.

Music & Movement dancers can come dressed in any clothes or shoes of their liking. We do just ask that you have a think about what clothes could be restrictive (such as denim) or inconvenient for stretching, running, jumping and having fun!

Dance shoes as above or regular shoes. We can't allow dancers to be in socks as the floors are too slippery.

ACRO & CHEER CLASSES

Doesn't matter which Acro level you are participating in, to ensure you are executing your skills & tricks safely dancers should come in fitted clothing, barefoot and their **hair tied back.**

Appropriate clothing items: Fitted shorts or leggings, tees that can be tucked in if needed, crop top, singlets etc

HIP HOP CLASSES

It's preferred that dancers wear looser fitting clothes such as track suit pants & a tee, or even leggings to allow them to get the full flow & effect of Hip Hop moves.

SHOES: Any sneaker they own. Such as runners, converse etc. *when concert rolls arounds, you will be asked to source a neutral coloured shoe for their performance, such as this all white sneaker shown in picture.*

PREP & JUNIORS - TRIO, TAP & SKILLS

Whether you are enrolled into Prep Trio, Prep Skills, Prep Tap, Junior Skills or Junior Tap please come dressed comfortably wearing non restrictive clothing. Dancers can wear any clothes they wish, whether it be a fairy dress, superman costume, leggings & a tee, or even a leotard and a skirt.

SHOES: Black Tap shoes, Black canvas ballet shoes (no ribbons)

CLASSICAL CLASSES

INTERMEDIATE, UPPER, GOLD STAR, ELEMENTARY & PBT

Although not compulsory, it is preferred that dancers come wearing a Leotard, tights and a skirt to all classes. If this is not achievable, tight fitting clothes such as shorts and a crop top can be worn.

Why should we wear Leotards to dance?

This allows their teacher to correct posture, alignment and technique without clothing acting as a barrier or obstructing the dancer.

Leotards will prevent a dancer from slipping on clothing or avoid their balance being thrown off from clothing items. Additionally, leotards provide freedom of movement while dancing, allowing for greater mobility.

When you look like a dancer, you feel like a dancer. Dressing appropriately for ballet class will also help dancers get into the style of the class.

TAP CLASSES

Attire is a little more relaxed in Tap.

It's preferable that long pants are not worn so that they don't get caught up under your shoes. .

Any exercise clothing is appropriate for Tap class

Either style Black Tap shoe can be worn also

JAZZ CLASSES

A lot like Tap, there is a lot more Freedom of attire in your Jazz & Funk classes. However, it is still very important for your teachers to be able to see placement & movement of your bodies in order to help you get the most out of your classes. For this reason, you can't go wrong with Activewear.

Whether you prefer leggings, tights, T-shirts, singlets, crop tops - the choice is yours, just make sure you can move without restriction.

SHOES: all dancers will need leather jazz shoes for this class. They can be lace up or slip on as shown in photo.

CONTEMPORARY

It is **COMPULSORY** that all contemporary dancers wear knee pads to class

Why? Knee pads are to protect dancers from injury.

The padding helps to limit impact during floor moves to ensure freedom of movement.

Knee pads can be purchased from most dance brands online or in store. (Black or Tan- FYI if you are also a Performance Team member Tan will be required for performances)

NO SHOES REQUIRED FOR CONTEMPORARY

Students are again encouraged to wear non restrictive activewear type clothing for this lesson, as above for Funk / Jazz class.

PERFORMANCE TEAMS - SOLOISTS

Dancers may be required to purchase different coloured or style shoes, tights or knee pads depending on their routine & teachers request. For example, tan jazz shoes may suit a red costume better than black.

This is up to the teacher, so please have this discussion with them directly.

HAIR UP, PLEASE!

Please be reminded that wearing hair tied back is our only non-negotiable. If a dancer attends lessons with their hair out, for safety reasons, teachers will request dancers tie up their hair before continuing lessons

Why is it important to have your hair tied back for sport?

- It ensures we are executing skills & tricks safely
- Stop it from getting in your way / face whilst dancing
- Having you hair out can be very distracting, students tend to play with it instead of concentrating on class content
